INIYA UDAIYAM CHARITABLE TRUST
Serve the society!  Promote the humanity!

IUCT REACHING THEIR DREAM THROUGH.........
EDUCATION: VALUE BASED DEVELOPMENT EDUCATION

Goal: Empower underprivileged children to be self-reliant and healthy confident human beings with social citizenry.

Remedial Education centres : 6

Target Areas:

Chennai and Thiruvallur districts

- Beneficiaries: 320 children

The Educational performance of the children had been improved through Play Based Learning. Students’ education level improved in the academic subjects. Extra curricular activities like Drawing, dance, sports & games, etc were trained. Confidence level had been improved and it led them to participate in various Inter School & Inter NGOs competitions.

Educational Sponsorships Programme:
Educational Fee and Educational materials like School Bags, Notebooks and Educational Stationeries provided to the 130 Children.

Computer training:

Computer is the most remarkable tool that we have ever come up with. Computer training enhance improve the capacity level and self confident.

Library Class:

IUCT promoting Reading practice among the children. Books having important role in promoting the progress of knowledge. Poor children can’t buy sources books. So Every Saturday children and women using library books for their improvement.
INTERNATIONAL GIRL CHILD RIGHTS DAY

Oct’11 organised international girl child

We have covered two Government school and one Matriculation Schools so far. More than 1500 children were enlightened about Girl child issues and their rights, the District Child protection unit got involved and helped us in this programme.

Our aim is to create a better understanding between Teachers and the students.

HEALTH PROGRAMMES:

Nutritious Supplementary Food:

Nutritional Supplementary Meal Programme and Career Guidance & Counselling To Spl. Coaching Children of IX Std. to X Std, Avadi Govt. High School, Avadi;

Supplementary food like ragi powder, fruits, biscuits, eggs, dates, channa, milk are provided to the children regularly against malnutrition and to keep them very active.

Our target children is coming fully from the poor and downtrodden families. 50% of children coming from women headed families. Lack of economic, directly it leads the nutritional problem. So we provide regularly nutrition for reduce their malnutrition

Medical Camp, Family counseling For Women:

Once in 6 months we have been organizing health campus.

- On 8th March we conducted Naturopathy health camp to the parents and children. Around 180 children and women were benefitted through the camp. In Dental camp 120 children were benefited.

- Mr. Udayachandran B. Pharm., Diploma in Homeopathy, M.D.ACU 60% of parents and children attended the camp. He explained about the side effect of allopathic and the important of natural foods. He is supported to cure the chronic diseases like this he explained about the what the diseases or chronic and it reasons.
**TUBERCULOSIS AWARENESS:**

India is the highest TB burden country with World Health Organization (WHO) statistics for 2011 giving an estimated incidence figure of 3.1 million cases of TB for India out of a global incidence of 8.7 million cases.

It is estimated that about 40% of the Indian population is infected with TB bacteria, the vast majority of whom have latent rather than active TB.

---

Dental Camp organized at Villivakkam block in Veerapuram area and 68 individuals were benefitted.

---
